The Middle Georgia USBC local awards program is to compliment the awards issued by the USBC. All awards are for scratch games. Awards requiring an average qualification will be based on a book average until a 12 game average is established. Awards will be awarded for the highest award that the score qualifies for. Awards are once in a lifetime. Exception are 298, 299, 300 games and 800 series. A plaque will be awarded for the first one of the season, all subsequent 298, 299, 300 games and 800 series will be put on the same plaque. There is a choice between the emblems or a pin/bar for the awards below.
