TOURNAMENT BOWLER OF THE YEAR Adult/Youth Male/Female

Tournament Bowler of the Year shall be determined by the qualifications listed below:

A member shall have bowled in at least three of Middle Georgia USBC Association tournaments for which they are eligible to be considered.

1st place in each category is worth 5 points. 2nd is worth 4 points. 3rd is worth 3 points. 4th is worth 2 points. 5th is worth 1 point.

The point system indicated above is applicable to all of the events for which the applicant has bowled in, i.e., Team, Doubles, Singles and All-Events. (This would include both Handicap and Scratch, and would also include if the member bowls in different divisions during the same tournament). The maximum amount of points a bowler can earn is 5 points in each category they have entered. For example, if a bowler enters into the same doubles category twice with different partners and finishes 1st and 3rd; he would only be able to count the 5 points earned for first place.

Maximum amount of points possible for each tournament is:

Mix-It-Up doubles: 25pts (There are five different combinations possible)

Welcome Back: 5pts (Only one combination possible)

Ladies Championship: 25pts (There are five different combinations possible)

Open Championship: 25pts (There are five different combinations possible)

Mulligan Tournament: 5pts (Only one combination possible)

Tournaments eligible:

Welcome Back,

Mix-It-Up Doubles,

Middle Georgia Mulligan

Middle Georgia Open Championships.

Ladies Tournament (Females)

In addition to the above listed tournaments, any local tournaments sponsored by the Middle Georgia USBC Bowling Association will also be included.

The Seniors Championship and All-Star tournament are not included as eligible tournaments.

In case of a tie, duplicate awards will be given.

“GOOD LUCK AND GOOD BOWLING TO ALL”

This yearbook is published in accordance with Paragraph 2–4 of the Middle Georgia USBC Operating Procedures. The Board of Directors shall provide for the maintenance of an average record of association members either by publishing an annual yearbook, with names listed alphabetically, or maintaining an alphabetical listing or file for official use. The yearbook must provide the following information as a minimum:

1. Name of each member who has bowled in any USBC league.
2. Member's highest average bowled in all leagues (regular or substitute).
3. Number of games bowled for that average.

Fall league averages were submitted as of the last league bowling the fall season, and these averages shall be considered as the final season averages. Summer league averages are the summer league averages from last year and are included in a separate section labeled summer averages with the year they are from. Information in the yearbook appears in the following format:

Bowler's Name	Mbr #	Average	Games	League
---------------	-------	---------	-------	--------

R= Right, L=Left, S= American 10 pin – sport, b=Bumper Bowling
* = Average calculated with less than 21 games
